PROFILE

I am a multimedia, dedicated artist with experience in various areas of art and design. With exceptional interpersonal skills, I am a dynamic team player and well organized. I specialize in photography and making captivating designs. I'm very adventurous and love sharing my positivity and creativity with others. I'm passionate about capturing genuine moments and trying to inspire others to do the same.

EXPERIENCE

Freelance Photographer | Fort Collins, CO

(August 2017—Present)

Weddings, Elopements and Portrait photo sessions with clients.

Mary's Mountain Cookies | Fort Collins, CO

Manager (August 2019—Present)

Working with ovens, following recipes, taking special orders, running the social media account and store all while maintaining customer service and being a dynamic team player.

K12 Gallery/TEJAS | Dayton, OH

Photography/Art Instructor (August 2017—August 2019)

Instruct high-school and middle school students through Chaminade Julienne Catholic High School and K12 Gallery & TEJAS. I teach digital and film photography, videography stop motion, CAD design and 3D printing.

Muralist (March 2018—August 2019)

Create a variety of murals throughout the Dayton area.

Event Photographer (February 2018—May 2018)

Photograph art openings, poetry slams, and scholastic art award ceremonies hosted at K12 Gallery & TEJAS for brochures and websites.

American Cutting Edge Inc. | Miamisburg, OH

Product Photographer (June 2016—July 2019)

Photograph and retouch pictures of products for use on their websites and sales catalogs.

Clarus Glassboards | Fort Worth, TX

Marketing/Design Intern (May 2017)

As an intern at Clarus Glassboards, I took pictures of products and retouched them, created packaging and T-shirt designs and had the opportunity to sit in on meetings to discuss and critique my responsibilities for social media content creation and web design.
